The Open Society Policy Center supports transparency and is proud of the causes and groups it supports.

The Open Society Policy Center (OSPC) is registered under the Lobbying Disclosure Act (LDA) and regularly reports on its activities as required by the Act. However, very few OSPC staff members meet the legal threshold for reporting their lobbying. Consequently, OSPC has chosen to voluntarily post on a quarterly basis the “lobbying activities” as defined by the LDA of its Washington staff regardless of whether they meet the LDA’s reporting threshold. In other words, the lobbying activities listed below go well beyond the requirements of the LDA by including all the OSPC activities that would have been reported under the LDA if all of the OSPC Washington advocates were “registered lobbyists.”

In addition, OSPC reports on an annual basis all of its grants on IRS Form 990 as required by law. However, there is a substantial lag time before Form 990 information becomes available to the public. Accordingly, OSPC also voluntarily makes this information easily and publicly available below on a quarterly basis.
